What is a Financial Services Guide (FSG)?

The purpose of this FSG is to provide you with key information about us and the services we can provide to you. It is designed to assist you in your decision on whether to use any of our services described here, including purchasing general insurance through us. This FSG contains important information about:

- how we are paid for the services;
- any associations or relationships that could influence the services we provide to you; and
- the dispute resolution procedures available to you and how you can access them.

You may also receive a Product Disclosure Statement and a Personal Advice Letter (PAL), Statement of Advice (SoA) or General Advice Letter (GAL). This is explained further in Section A of this FSG.

SECTION A:
 RELATIONSHIPS AND GENERAL INFORMATION ABOUT OUR SERVICES

We conduct a general insurance advisory business as authorised representatives, providing general insurance advisory and dealing services to our customers. These services are provided under the authority and on behalf of the AFS Licensees named on page 1.

Our relationship with AMPGID

AMP GI Distribution Pty Limited (“**AMPGID**”) has an Australian Financial Services licence to provide advice and dealing services in relation to general insurance products.

AMPGID has an arrangement with GIO General Limited (“**GIOG**”) where:

- AMPGID distributes general insurance products issued by GIOG (the insurer) and branded AMP or Suncorp. The products are distributed under AMPGID’s licence by AMPGID’s representatives. AMPGID receives payments from GIOG under this arrangement as set out in this document, as well as an annual marketing payment to promote GIOG products.
- AMPGID is given a binding authority to arrange for its representatives to issue general insurance policies on behalf of GIOG as the product issuer. This authority from GIOG is referred to as a “binder” which means I am authorised to approve and accept an application for insurance issued by GIOG. In providing any services under the binder, AMPGID and I are acting on behalf of GIOG, the insurer, and not on your behalf.

AMPGID has also entered into arrangements with other general insurance companies and underwriting agencies to make available travel insurance and certain wholesale general insurance products which GIOG does not issue. We will only make recommendations on or deal in products which are on the Approved Product List issued by AMPGID when acting on behalf of AMPGID. Apart from travel insurance and certain wholesale general insurance products, the products on AMPGID’s Approved Product list are issued by GIOG.

Our Relationship with AFMIB

AFM Insurance Brokers Pty Ltd (AFMIB) has an Australian Financial Services Licence and provides advice and dealing services in relation to general insurance products.

AFMIB has agreements with most APRA approved insurers and underwriting agencies to place cover where it is felt alternative products available in the market place better meet your needs.

The AFS Licensees named on page 1 have authorised us to provide you with this FSG.

<p>Who is responsible for the financial services provided?</p>	<p>The relevant AFS Licensees who authorised us to provide the services are responsible to you for the services we provide to you. Details of our authorisation from each of the authorising AFS Licensees are described in Sections B and C of this FSG.</p> <p>AMPGID acts on your behalf when we provide services to you as their authorised representative. However, when acting under a binder, the activity of assessing (underwriting) an application and issuing a policy is done by us and AMPGID on behalf of GIOG.</p> <p>In authorising us to provide advice and other dealing services described in Section C of this FSG, AFMIB does not act on behalf of any other person or Australian Financial Services Licensee.</p>
<p>What information do you need to give us to receive personalised general insurance advice?</p>	<p>You need to provide us with specific details of your property and risks to be insured and any other relevant information, so that we can give you the most appropriate advice possible.</p> <p>You do not have to give us your personal information. However, if you do not, the advice that you receive may not be appropriate to your particular objectives and needs.</p>
<p>How should instructions be provided to us?</p>	<p>You may provide instructions to us by telephone, in writing or by e-mail to the address on page 1.</p>

What information will we keep on file?	We will keep a record of the personal information that you provide to us. We will also keep records of any recommendations we make to you.		
What about Privacy?	Your privacy is important to us and our authorising AFS Licensees. Please contact us if you would like a copy of our Privacy Statement. AMPGID is a member of the AMP Group of companies. To learn more about collection and use of your personal information, see the AMP Privacy Policy on the AMP website www.amp.com.au . Will anyone be paid a referral fee for referring you to us?	If we give you personal advice as a result of someone referring you to us and if we pay them a fee or commission in relation to that referral, our PAL or SoA to you will set out that fee or commission.		
What other documents will we give you?	<p>If we give you personal advice about a retail general insurance product it will be confirmed in writing (PAL), and will show details about fees and commissions we receive. If we only give you general advice, this will also be confirmed in writing (GAL).</p> <p>For Personal Accident & Illness Insurance, the advice document will be called a Statement of Advice, and will set out the basis upon which the advice is given and details about fees and commissions paid to us.</p> <p>If we recommend or arrange for you to purchase a general insurance product, you will be provided with either a product disclosure statement (PDS) or a policy document, depending on the product. The PDS or policy document describes the benefits and conditions for cover under the product. You should read the documents to ensure you know what is covered and what is excluded and ensure it meets your needs and you are aware of your obligations.</p>		
Can we help you with Premium Funding?	<p>In some instances you may wish to pay for your insurances by monthly installments by using premium funding. We can provide you with this service through a number of providers.</p> <p>These providers are not related to our authorising AFS Licensees. We may receive commissions and/or fees from these providers directly and not via our AFS Licensees. Our income is calculated as a percentage of the amount being premium-funded and/or a flat fee.</p>
